I got this graveyard woman, you know she keeps my kid
But my soulful mama, you know she keeps me hid
She's a junkyard angel and she always gives me bread
Well, if I go down dyin', you know she bound to put a blanket on my bed.

Well, when the pipeline gets broken and I'm lost on the river bridge I'm cracked up on the highway and on the water's edge She comes down the thruway ready to sew me up with thread Well, if I go down dyin', you know she bound to put a blanket on my bed.

Well, she don't make me nervous, she don't talk too much
She walks like Bo Diddley and she don't need no crutch
She keeps this four-ten all loaded with lead
Well, if I go down dyin', you know she bound to put a blanket on my bed.

Do not think about tomorrow Let tomorrow come and go Tonight you're in a nice warm boxcar Safe from all the wind and snow

I know the police cause you trouble They cause trouble everywhere But when you die and go to heaven You won't find no policemen there

I know your clothes are torn and ragged And your hair is turning grey Lift your head and smile at trouble You'll find happiness some day

So go to sleep you weary hobo Let the towns drift slowly by Don't you feel the steel rail humming That's a hobo's lullaby

I shot the sheriff - the sheriff. But I swear it was in self defence. I shot the sheriff And they say it is a capital offence.

Sheriff John Brown always hated me, For what, I don't know. Every time I would plant a seed, He said kill it before it grows -He said kill it before it grows. And so:

Read it in the news: I shot the sheriff. But I swear it was in self-defence. I say: I shot the sheriff, But I swear it was in self defence. Yeah!

And I started out of town, yeah!

So I shot - I shot - I shot him down and I say:

You've gone to the finest school

All right, Miss Lonely but you know ... get juiced in it Nobody's ever taught you how to live on the street And now you're gonna have to get used to it You say you never compromise

With the mystery tramp, but now you realize

He's not selling any alibis

As you stare into the vacuum of his eyes And say, "Do you want to make a deal?"

How does it feel?

How does it feel?

To be on your own

With no direction home

A complete unknown

Like a rolling stone?

You never turned around to see the frowns

On the jugglers and the clowns when... tricks for you

Never understood that it ain't no good

You shouldn't let other people get your kicks for you You used to ride on a chrome horse ... diplomat

Who carried on his shoulder a Siamese cat

Ain't it hard when you discover that

He really wasn't where it's at?

After he took from you everything he could steal

How does it feel?

How does it feel?

To be on your own

With no direction home

You used to be so amused

At Napoleon in rags and the language that he used Go to him now, he calls you, you can't refuse When you ain't got nothing, you got nothing to lose You're invisible now, you got no secrets to conceal

And that failure's no success at all

The cloak and dagger dangles
Madams light the candles
In ceremonies of the horsemen
Even the pawn must hold a grudge
Statues made of matchsticks
Crumble into one another
My love winks she does not bother
She knows too much to argue or to judge

The bridge at midnight trembles
The country doctor rambles
Bankers' nieces seek perfection
Expecting all the gifts that wise men bring
The wind howls like a hammer
The night wind blows cold n' rainy
My love, she's like some raven
At my window with a broken wing

#### Pancho and Lefty Townes Van Zandt

Livin' on the road my friend

Was gonna keep us free and clean

Now you wear your skin like iron

Your breath's as hard as kerosene

You weren't your mama's only son

But her favorite one, it seems

(1

She began to cry when you said goodbye

And sank into your dreams

Pancho was a bandit, boys Rode a horse as fast as polished steel Wore his gun outside his pants For all the honest world to feel Pancho met his match, you know On the deserts down in Mexico No one heard his dyin' words But that's the way it goes

And all the federales say

They could have had him any day

They only let him hang around

Out of kindness, I suppose

Now Lefty he can't sing the blues All night long like he used to The dust that Pancho bit down south It ended up in Lefty's mouth The day they laid old Pancho low Lefty split for O hi o Where he got the bread to go Well there ain't no body knows

But all the Federales say They could have had him any day They only let him slip away Out of kindness, I suppose

Instrumental verse

Now poets sing of how pancho fell Lefty's livin' in a cheap hotel The desert's quiet and Cleveland's cold And so the story ends we're told Pancho needs your prayers, it's true But save a few for Lefty too He only did what he had to do And now he's growin' old

All the federales say They could have had him any day They only let him go so long Out of kindness, I suppose

All the federales say They could have had him any day They only let him go so wrong

## Reflections on a Crystal Wind

Richard Farina

If there's a way to say I'm sorry

Ĵ

D

Perhaps I'll stay another evening beside your door And watch the moon rise inside your window Where jewels are falling and flowers weeping and strangers laughing

D

A G D

Because you're grieving that I have gone

And if I don't know why I'm going
Perhaps I'll wait beside the pathway
where no one's coming
And count the questions
I turned away from,
or closed my eyes to,
Or had no time for,
or passed right over
Because the answers would shame my pride

I've heard them say the word "forever"
But I don't know if words have meaning when they are promised
In fear of losing what can't be borrowed
Or lent in blindness,
or blessed by pageantry,
or sold by preachers
While you're still walking your separate way

Sometimes we bind ourselves together And seldom know the harm in binding the only feeling that cries for freedom And needs unfolding and understanding And time for holding a simple mirror The one reflection to call your own.

If there's an end to all our dreaming
Perhaps I'll go while you're still standing
beside your door
And I'll remember
your hands enfolding
a bowl of moonstones
A lamp of childhood,
a robe of roses
Because your sorrows were still unborn.

## Roll Over Beethoven Chuck Berry E-A-B7

I'm gonna write a little letter,
Gonna mail it to my local dj.
It's a rockin' rhythm record
I want my jockey to play.
Roll over Beethoven, I gotta hear it again today.

You know, my temperature's risin'
And the jukebox is blowin' a fuse.
My heart's beatin' rhythm
And my soul keeps on singin' the blues.
Roll over Beethoven and tell Tschaikowsky the news.

I got the rockin' pneumonia,
I need a shot of rhythm and blues.
I caught the rollin' arthiritis
Sittin' down by the rhythm review.
Roll over beethoven, rockin' in two by two.

Well, if you feel it and like it Go get your lover, and reel and rock it. Roll it over and move on up just A trifle further and reel and rock it, roll it over, Roll over beethoven, rockin' in two by two.

Well, early in the mornin' I'm a-givin' you a warnin' Don't you step on my blue suede shoes. Hey diddle diddle, I'm playin' my fiddle, Ain't got nothin' to lose. Roll over Beethoven, and tell Tschaikowsky the news.

You know she wiggles like a glow worm, She dance just like a spinnin' top. She got a crazy partner, Oughta see 'em reel and rock. Long as she got a dime the music will never stop.

Roll over beethoven,
Roll over beethoven,
Roll over beethoven,
Roll over beethoven,
Roll over beethoven and dig these rhythm and blues.

*Instrumental verse (leaves out the two middle lines)* 

I went to a movie, got the only empty seat
I tried to stretch out in it, something blocking my feet
Finally the lights came up, and I could clearly see
a slab of engraved marble, just staring up at me
Imagine my surprise, thought I'd left it at home
but there's no doubt I'm sitting on my own tombstone

Wednesday's even worse; Thursday's awful sad.

The eagle flies on Friday, Saturday I go out to play.

The eagle flies on Friday, and Saturday I go out to play.

Sunday I go to church where I get down on my knees and pray.

And I say, "Lord have mercy, Lord have mercy on me.

Lord have mercy, Lord have mercy on me.

Trying to find my baby, won't you please send her back home to me."

You take what you need and you leave the rest,

But they should never have taken the very best.

I pulled into Nazareth, I was feelin' about half past dead;

I just need some place where I can lay my head.

"Hey, mister, can you tell me where a man might find a bed?"

He just grinned and shook my hand, and "No!", was all he said.

Take a load off Fannie, take a load for free;

G Bm Em D C G

Take a load off Fannie, And (and) you can put the load right on me.

I picked up my bag, I went lookin' for a place to hide; When I saw Carmen and the Devil walkin' side by side. I said, "Hey, Carmen, come on, let's go downtown." She said, "I gotta go, but my friend can stick around."

#### Chorus

Go down, Miss Moses, there's nothin' you can say It's just ol' Luke, and Luke's waitin' on the Judgement Day. "Well, Luke, my friend, what about young Anna Lee?" He said, "Do me a favor, son, woncha stay an' keep Anna Lee company?"

#### Chorus

Crazy Chester followed me, and he caught me in the fog. He said, "I will fix your rack, if you'll take Jack, my dog." I said, "Wait a minute, Chester, you know I'm a peaceful man." He said, "That's okay, boy, won't you feed him when you can."

#### Chorus

Catch a Cannonball, now, t'take me down the line My bag is sinkin' low and I do believe it's time. To get back to Miss Annie, you know she's the only one. Who sent me here with her regards for everyone.

I don't wanna wait in vain for your love; I don't wanna wait in vain for your love;

From the very first time I rest my eyes on you, girl, My heart says follow t'rough.
I know, now, that I'm way down on your line, Still the waitin' feel is fine:
So don't treat me like a puppet on a string, 'Cause I know how to do my thing.
Don't talk to me as if you think I'm dumb; I wanna know when you're gonna come.

Ooh girl, ooh girl, is it feasible?

I wanna know now, for I to knock some more.

Ya see, in life I know there's lots of grief,
But your love, your love is my relief

Tears in my eyes burn, tears in my eyes burn

While I'm waiting, while I'm waiting for my turn

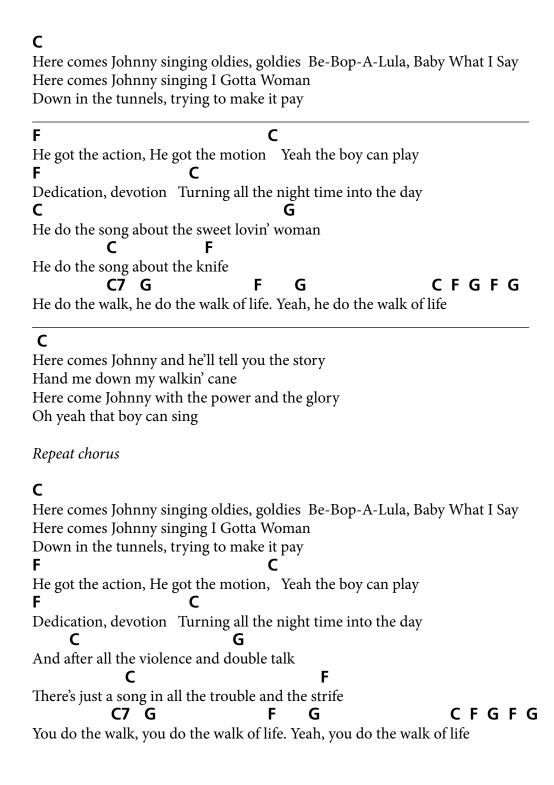

See, I don't wanna wait in vain for your love; I don't wanna wait in vain for your love; I don't wanna wait in vain for your love;

Check out Mr. Businessman Oh oh oh He bought some wild, wild life On the way to the stock exchange Oh oh oh He got some wild, wild life Break it up when he opens the door Oh oh oh He doin' wild, wild life I know that's the way you like it Oh oh Living wild, wild

F#

Peace of mind It's a piece of cake

Thought control You get on board anytime you like

Like sitting on, pins and needles Things fall apart, it's scientific

Sleeping on the interstate Oh oh oh Gettin' wild, wild life Checkin' in, a checkin' out Oh oh oh I got a wild, wild life Spendin' all of my money and time Oh oh oh Done too much wild, wild life We wanna go, where we go, where we go Oh oh oh I doin' wild, wild life

I know it, that's how we start Oh oh Got some wild, wild life Take a picture, here in the daylight Oh, oh And it's some wild, wild life You've grown so tall, you've grown so fast Oh oh oh Wild, wild life I know that's the way you like it Oh, oh Living wild wild, wild wild life in B

F#

I'm wearin', fur pajamas, I ride a, hot potato

It's ticklin, my fancy. Speak up, I can't hear you

Here on this mountaintop Oh oh oh I got some wild, wild, life

B

F#

I got some news to tell you Oh oh About some wild, wild life

Here comes the doctor in charge Oh oh oh She's got some wild, wild life

## You'll Lose A Good Thing

Barbara Lynn (Ozen) 1962

## C Am F G

If you should lose me, oh yeah,

## C Am F G

You'll lose a good thing.
If you should lose me, oh yeah,
You'll lose a good thing.

## C Am F G

You know I love you, I'd do anything for you. Treat me right darlin, and there's nothing I won't do. But if you should lose me, oh yeah, You'll lose a good thing.

I'm givin' you a chance, for you to do right. Show me you love me baby, and we can have a good life. But if you should lose me, oh yeah, You'll lose a good thing.

> Don't say I didn't tell ya, now it's all up to you. It's gonna hurt me so much baby, but I don't know what else to do. If you should lose me, oh yeah, You'll lose a good thing.

This is the last time, baby, I won't say it any more. Hurt me just one more time, and I'll walk out that door And if you don't believe me, you'll see, You're gonna lose a good thing.

Just one more time, darlin, oh yeah, And you're gonna lose a good thing.

You know what I'm talking about baby, You're gonna lose a good thing.

Don'tcha try that again baby, You're gonna lose a good thing.

Hurt me just once more, You're gonna lose a good thing.

Yer gonna make me lonesome when you go

Dragon clouds so high above
I've only known careless love
It's always hit me from below
This time around it's more correct
Right on target, so direct
Yer gonna make me lonesome when you go

Purple clover, Queen Anne's Lace A silver hair across your face You could make me cry if you don't know Can't remember what I was thinkin' of You might be spoilin' me too much, love Yer gonna make me lonesome when you go

Flowers on the hillside, bloomin' crazy
FCCCrickets talkin' back and forth in rhyme
DBlue river runnin' slow and lazy
FG7
I could stay with you forever and never realize the time

Situations have ended sad Relationships have all been bad Mine've been like Verlaine's and Rimbaud But there's no way I can compare All those scenes to this affair Yer gonna make me lonesome when you go

Yer gonna make me wonder what I'm doin' Stayin' far behind without you Yer gonna make me wonder what I'm sayin' Yer gonna make me give myself a good talkin' to

I'll look for you in old Honolulu San Francisco, Ashtabula Yer gonna have to leave me now, I know But I'll see you in the sky above In the tall grass, in the ones I love Yer gonna make me lonesome when you go D Bm D Bm
